HAND HELD FIRE EXTINGUISHERS

Our goal is to provide our customers with quality fire extinguishers at a great value. In pursuit of this, we manufacture all our products in the U.S.A. We mill and blend our own dry chemical agents, machine the component parts, assemble and then test our units to the highest quality standards.

KEY FEATURES

- Manufactured to meet UL's rigorous standards for commercial hazard protection and backed by our manufacturer's warranty.
- Rechargeable.
- Anodized metal & brass valve assemblies for superior strength and corrosion resistance.
- Industrial grade steel & aluminum cylinders with polyester powder coating designed to withstand harsh environments & rough usage.
- Metal pull pins, vehicle brackets and wall hooks for extended unit service life.
- The extinguisher nameplate incorporates bilingual operating and maintenance instructions. Available in English/Spanish & English/French.
- Color-coded gauges show operating status at-a-glance.
- Extinguishers have model and serial number bar coding for easy and accurate maintenance history.
